Sir,

This was the case from 2018 I was telling you about. You're right. He was never served because it was an ex parte motion

As for you wanting to know about the rules regarding the examination motion, I'm happy to file an amended motion with the rules

I do not know anything about who Jim Jorton is, or indeed anything about the underlying case, which you appear to have filed against my client but which he has never been served.

Hi, sir.

Will you please explain to me who Jim is? I guess this reinforces what I'm saying. Your client publishes and records everything and it in turn, attracts his unstable users.

Willing to hear you out on who this Jim person is.
